

## **FACULTY SENATE RESOLUTION 92-12**

### **Proposal for Council of Policy Committees**

#### **Charges:**

1. To represent the policy committees of the various academic units in communication with the [Faculty Senate] Executive Committee; and
2. To develop and continuously maintain universally applicable criteria for evaluation of academic and research programs for planning and/or restructuring; and
3. To advise the Faculty Senate Executive Committee regarding planning and/or restructuring.

#### **Membership:**

One representative of the elected policy committee from each of the following academic units: Agriculture, Arts & Sciences, Basic Sciences, Business Administration, Design, Education, Engineering, Center for Coastal Energy and Environmental Resources, and Veterinary Medicine; one member representing the policy committees from Social Work, Music, and Library/Information Science; one member from academic and research units not otherwise represented; and one ex officio representative from the Faculty Senate Executive Committee. In the event that a committee of appointed members functions as a policy committee within a unit, representation from such a committee would be accepted if formally approved by a vote of the faculty in the unit.

**ADOPTED:** May 7, 1993
